Re: Demmick v. Cellco Partnership  
Civil Action No. 06-CV-2163 (JLL)

Dear Judge Linares:

This firm is co-counsel for Plaintiffs in this matter. We are in receipt of the Court's order (Document No. 220) filed September 9, 2015 granting in part plaintiffs' motion to require Objector Appellants to Post a Bond Pursuant to Federal Rule of Procedure 7 and determining the amount of the bond.

The order does not state the time period within which the objector appellants must post the bond. For the avoidance of additional motion practice and so all parties will have clarity, we respectfully request that the Court supplement or modify the order by requiring that the bond be posted within 14 days after entry of the order, by analogy to F.R.A.P. 5(d)(1)(B)(cost bonds under Rule 7 must be filed within 14 days after permission to appeal granted).

Respectfully yours,

A handwritten signature in black ink that reads 'Stephen L. Dreyfuss'.
